

*The season of giving is upon us and as 2020 draws to an end, I am reminded of all who have so generously given their time, talents, and financial resources to support PDC Orenda Center and help those in need in our community. PDC is truly blessed to have so many wonderful friends and supporters and is grateful for each and every one of you!*

*My deepest wish is for you all to have a happy, healthy, and peaceful holiday season!*

*Renee Schulz*
